

Privacy Notice – Incident Management

Plain English explanation

The CCG takes every measure to ensure that no identifiable personal data is accessed or shared without complying with necessary regulations. On the rare occasion that the CCG or one of our providers may breach these regulations it is our duty to investigate what may have caused such an incident and the consequences of this.

In these circumstances the CCG may be required to obtain and process information relating to the data subject in order to fully investigate and inform the individual of the outcome of their enquiries. The CCG will always ensure the information obtained is not excessive, in line with the Data Protection Principles of GDPR Article 5(1)(c) adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed ('data minimisation').
