

Wandsworth Clinical Commissioning Group

REPORT TO BOARD

15th April 2015

Agenda No. 6.2

Title of Document:	Operational focus: Quality Report
Report Author:	Melanie Rogers, Deputy Director of Quality
Lead Director/ Clinical Lead:	Sandra Iskander
Contact details:	Sandra.iskander@wandsworthccg.nhs.uk
Summary:	The attached report provides an overall update to the Board on the CCG's approach to ensuring quality in our commissioned services. It describes our governance structures and the information we consider as part of quality surveillance. Specific information on quality issues identified in our main providers is identified, alongside agreed actions to make improvements. Finally, it describes our next steps in developing further quality assurance.
Key sections for particular note (paragraph/page), areas of concern etc:	All
Recommendations:	Board to note the report and comment on what further information would be useful as part of regular quality updates.
Equality Analysis	Has an Equality Analysis been carried out? /NO: Key issues from assessment insert details
Which of the following Assurance Domains does this work relate to:	<ul style="list-style-type: none"> • Are patients receiving clinically commissioned, high quality services? • Are CCG plans delivering better outcomes for patients? • Does the CCG have robust governance arrangements?
