About us

We are the Stroke Association

We believe in life after stroke. That's why we support stroke survivors to make the best recovery they can. It's why we campaign for better stroke care. And why we fund research into new treatments and ways of preventing stroke.

We're here for you. If you'd like to know more please get in touch.

Information, Advice and Support Service

Wandsworth

If you or someone you care about has had a stroke, our service can provide practical advice, essential information and emotional support.

We'll work closely with you to set your own goals and help you achieve them, making sure your needs are met as you make the best possible recovery.

Who is this service for?

- Stroke survivors of any age
- Carers
- Family members

What does this service offer?

- Hospital and home visits
- Friendship networks
- The opportunity to practice communication and gain confidence
- Access to support groups
- Help with returning to work
- Help with accessing local leisure and social activities
- Support for carers
- Information leaflets and factsheets in a range of languages
- We can refer you to other organisations that can also help

How does it work?

- Either you, your carer or your GP can contact us for a referral
- We'll arrange to visit you at home
- We offer information, advice and support to you, your family or carer
- We'll design a programme to help you achieve your goals
- You can choose to join a local group for additional activities and support
